## Princeton Lever

### The Corbin Russwin CL3500 and CL3800 Series Cylindrical Locksets Now Available with Princeton (PZD) lever

Available today, the CL3500 Series Heavy-Duty Grade 1 cylindrical lockset and CL3800 Series Grade 2 cylindrical lockset comes with the Princeton lever. Pricing for this lever is equal to existing Armstrong and Newport designs.

The CL3800 is designed to complement the look of the CL3300 Series Extra Heavy-Duty Grade 1 and the CL3500 Series Heavy-Duty Grade 1 so you get a variety of performances with this family of lever locksets.
