Corbin Russwin Announces 613 (10B Brown) & 722 (10B Black) Finish Enhancements

Starting October 1, 2007, orders placed for 613 (10B-Brown; Dark Oxidized Satin Bronze, Oil Rubbed) finish hardware will be manufactured with a newly enhanced coloring process, that exhibits a traditional brown color. This innovative method, which includes newly developed coloring and oiling processes, will come standard on all Corbin Russwin 613 finish orders. A new 722 (10B-Black) finish designation is being introduced to specify Corbin Russwin's current dark black finish color.
