**NOTE:** As of March 1, 2005, P900 Series Offset Pull Trims (P950 & P957) will be available with 900 Series Heavy Duty escutcheons only. There will be no change in nomenclature when ordering.

It is recommended that Corbin Russwin 900 Series Heavy-Duty Trims be specified as a replacement for the discontinued trims listed above. With a forged escutcheon, patented vandal-resistant Free Wheeling lever design and 5-year warranty, the 900 Series is a far superior trim and better suited to the rigors of frequent use.
